1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am customer on the Tega Cay Water Service system and object to the requested exorbitant rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am protesting the current rate increase request because TCWS has been awarded rate increases in the recent past with promises to better maintain their system - their track record of sewage spills is criminal. I do not think we should be required to again pay for something that has already been paid for.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I plan to attend the hearing, but do not wish to offer sworn testimony.
